Pres. Atwood -

According to [?] Fields, College Council President, these are the people appointed to the College Committees by the Council.

This completes the action assigned to me to accomplish, as I understand the request. If there is anything further I can do please advise.

Sincerely,
Ed Hale

With regard to our recent telephone conversation, I will be waiting to hear from you concerning your discussion with Cliff Fields, as well as a meeting time and place when we can further discuss the procedures for assuring black membership on the standing committees of the College.

Thank you for your cooperation.
