P.O. Box 22812

Dear Miss Price,

As a follow-up to my letter of August 26, copy enclosed, I am happy to inform you that we have now moved Special Collections to the Woodruff Library and that the Rare Book Room in the Asa Griggs Candler Library is now available for the use of the Black Studies program. I asked Mr. Estes to leave as many chairs and lounge chairs there as possible. There is also an exhibit case in the room. Please feel free to arrange with Mr. Estes for the use of the exhibit cases outside in the lobby if you desire to put on a larger exhibit for a month or six weeks at a time.

Sincerely yours,

Guy R. Lyle
