

Emory University  
Atlanta, Georgia 30322

Department of Chemistry

September 25, 1969

Dear President Atwood:

I was considerably encouraged by your position on admission standards and the purpose of Emory University, as stated at today's luncheon discussion. I am not willing to take a cut in pay to promote mediocrity.

I would suggest that we cannot be all things to all people; perhaps the public schools can afford to undertake these special programs.

The one shining reason for schools such as Emory is excellence.

C G Trowbridge
